

# Minnesota Child Welfare Training System

A joint effort between the MN Dept of Human Services and SW Health and Human Services

## Foster Parent/Adoption/Kinship Training

An experienced foster, adoptive or kinship parent and an agency professional will guide participants through an interactive and informative training series filled with activities and learning opportunities. The sessions will provide answers to many important questions. Each module is three hours. The Pre-service modules should follow the sequence listed, as each module builds a foundation for the next module. This also helps the participants build relationships within the group.

Training will take place at the Lyon County Courthouse

607 W Main St. Marshall. MN 56258
