

Administration of the Child Care Assistance Program

2026-2027 SWHHS County and Tribal Child Care Fund Plan

Administration of the Child Care Assistance Program

Background: Counties and Tribes must submit a biennial Child Care Fund Plan. Child Care Assistance Program rules and laws allow counties and Tribes to establish some local policies and procedures. These local policies and procedures, when included in this plan and approved by the commissioner, are considered county/Tribal policy and are used to support agency decisions during appeals. The Department of Children, Youth, and Families (DCYF) will review and approve County and Tribal Child Care Fund Plans. Counties and Tribes will receive approval letters for their Child Care Fund Plans from the commissioner. This plan period begins on January 1, 2026.

Minnesota Statute, section 142E.09, subdivision 3

Steps to complete the plan process:

Step One – Review the plan

Review this plan. Determine if there are changes compared to previous plans or if there are new policies or procedures. Involve other staff as needed.

Step Two – Draft the plan responses

Note these guidelines:

- Identify all optional policies; see question VIII.A.
- Do not answer questions by stating that the reviewer should refer to a previous plan.
- Submit all agency-developed documents; see question VIII.B.
- Answer each question. Incomplete plans will be returned.

Step Three – Inform and involve community partners

DCYF encourages counties and Tribes to develop optional policies in coordination with local partners.

This may include: parents, child care providers, culturally specific service organizations, Child Care Aware agencies, interagency early intervention committees, and agencies involved in the provision of care and education to young children. Consult with other agency staff such as fraud investigators and income maintenance and employment services staff.

Step Four – Share the draft plan

Prior to submission, you must make copies of the proposed plan available to the public and allow sufficient time for public review and comment. See question II.D of this plan; describe methods used to make the plan available to the public, particularly to those members listed in II.D.

Step Five – Submit the plan by the deadline (Friday, September 19, 2025)

Amendments to plans

A county or Tribe may amend their Child Care Fund Plan at any time. If approved by the commissioner, the amendment is effective on the date requested by the agency unless a different effective date is set by the commissioner. Plan amendments must be approved or denied by the commissioner within 60 days after receipt of the amendment request. The department reserves the right to direct a county or Tribe to amend its Child Care Fund Plan if the plan is no longer in compliance with Minnesota Statutes, Minnesota Rules, or federal law.

Minnesota Rules, part 3400.0150, subpart 3

Amendments include changes in contacts, optional policies, new or revised forms and notices. Amendments can be sent in letter form or by email to the agency's child care assistance policy specialist.

Return completed plans by **Friday, September 19, 2025** to:

D. Subcontracted services

Counties and Tribes may contract with an agency to administer all or part of their Child Care Assistance Program.

Minnesota Rules, part 3400.0140, subpart 7

If you are planning any changes in the administration of your CCAP, tell your CCAP policy specialist immediately. This could involve subcontracting or mergers of counties. Failing to notify DCYF may delay the changes that you are planning to make.

Does your county or Tribe contract with an agency for any part of the administration of CCAP? ☐ Yes ☒ No

Do not include cooperative agreements with employment and training service providers that work with MFIP/DWP families to develop and approve the employment service plan.

II. Collaboration and outreach

A. How do you share information about the Child Care Assistance Program so that individuals, child care providers, social service agencies, etc. are aware of child care assistance? ([Minnesota Rules, part 3400.0140, subpart 2](#))

CCAP Brochures are part of all application packets, CCAP Applications are included in our MFIP/DWP Orientation packets, Information is provided to our Employment Service partner, CCAP Information is provided in our lobbies, Program details and application links are provided on our agency website.

B. Agencies are required to work with other public and private community resources that provide services to families to maximize community resources for families with young children. These include, but are not limited to, Child Care Aware, School Districts, Early Learning Scholarships, Head Start, and Early Childhood Screening. List the community programs your agency works with. ([Minnesota Statute, section 142E.09, subdivision 3 \(1\)](#))

Program information and application packets are made available upon request. Information regarding CCAP is also provided to the area Child Care Resource and Referral Agency. CCAP staff work closely with agency social workers, employment service counselors, childcare provider licensers, and other eligibility workers to provide the most current information regarding childcare assistance.

C. How do you work with the community resources above to maximize public and private community resources for families with young children? Include the methods used to share information, responsibility, and accountability among these community resources. For example, partnering with Community Action agencies and local Head Start to help families access early childhood services and economic resources.

SWHHS shares information by attending meetings and sharing training information. Information is posted on the agency website. We also collaborate with the child care licensing unit, exchanging information for meeting with community partners and families.

D. Copies of the proposed plan must be made available to the public, including parents, child care providers, culturally specific service organizations, Child Care Aware of Minnesota agencies, interagency early intervention committees, potential collaborative partners and agencies involved in the provision of care and education to young children. You must allow time for public review and comment prior to submitting this plan to DCYF for approval. ([Minnesota Statute, section 142E.09, subdivision 3 \(2\)](#)).

1. Describe how you make copies of the **draft plan** available to the public, including how you plan to notify the public about the existence of this draft and ways the public can provide comment.

Post the proposed 2026-2027 plan on agency website for public comment for 10 days.

2. When was your draft plan available for public review?

October 23rd, 2025

E. After your plan is approved by DCYF, do you post your approved plan on your website? ☒ Yes ☐ No

III. Eligibility

A. Education plans outside an Employment Plan

Prior to completing this section, review [Minnesota Rules, part 3400.0040](#) and [Minnesota Statutes 142E.12 Subdivision 3](#) to ensure your policies are in compliance. Identify agency developed documents used for education plan requests and notices used to communicate approval or denial in each response and list these in the agency developed document section VIII.B.

1. High school diploma/GED high school equivalency diploma

1a. Do you approve all high school and GED programs? ☒ Yes ☐ No

2. Remedial and basic skills courses (includes Adult Basic Education and English as a Second Language)

3. Post-secondary programs

3a. Do you approve all post-secondary programs (including associate degrees, bachelor degrees, certificate programs and technical degrees)?

☒ Yes ☐ No

3b. Explain why you would deny a program. Include data and facts to support why students should not receive CCAP while attending.

It is uncommon for Employment Services to deny approval of an educational program. However, a program may be denied if the proposed training is not aligned with realistic and reasonable employment opportunities within our local labor market. For example, if a participant intends to remain in Minnesota but is pursuing a degree such as marine biology—where there is little to no job demand in the state—we may determine that the program does not support a viable career path. Program approval is based on available labor market data, regional workforce needs, and the likelihood that the training will lead to sustainable employment within the participant’s desired geographic area.

3c. Describe your criteria and procedures for approving a post-secondary program outside an Employment Plan.

As an agency, we have partnered with our local Employment and Training provider to write educational plans for students who plan on attending school and using the BSF program. We believe that by having them write the plans that they are aware of programs/courses of study that will lead to full time employment for our area. The employment and training provider requires applicants to completed a Classroom Training Questionnaire or an

Occupational Research Packet to learn more about the training program and how it fits into our regional workforce needs.
